CONFERENCE YEARBOOK

The 14th International Conference on Open Source Systems

Athens, Greece, June 8th–10th 2018

www.oss2018.org

PARTICIPANTS

KULJIT KAUR CHAHAL 🇮🇳 (PhD 2011) *@kuljitchahal2* 🔴

Associate Professor at Dept of Computer science, Guru Nanak Dev university, Amritsar, India

Interested in research and teaching both. Topics of interest - open source software, and distributed systems.

KHALID ELBAAMRANI 🇲🇦

Associate Professor at Cadi Ayyad University

Khalid El Baamrani received his PhD in Telecommunication Engineering from the University of Cadi Ayyad, Marrakech, Morocco in 2005. He is presently working as an Associate Professor in the ENSA of Marrakech, University of Cadi Ayyad, Marrakech, Morocco. His research interests include packet switching architectures/algorithms, networked systems, software-defined networks

MARCO A. GEROSA 🇧🇷 *@gerosa_marco* 🔴

Associate Professor at Northern Arizona University (NAU)

I am an Associate Professor at the Northern Arizona University (NAU), USA. I am also a member of the Computer Science Graduate Program at the University of São Paulo (USP), Brazil. I research the intersections of Software Engineering (SE) and Social Computing (CSCW). Currently, I am working on the analysis and support of OSS communities, focusing on newcomers and casual contributors.

https://www.ime.usp.br/~gerosa

JESUS M. GONZALEZ-BARAHONA 🇪🇸 *@jgbarah*

Professor at Rey Juan Carlos University

I teach and research in Universidad Rey Juan Carlos, Fuenlabrada (Spain).My research interests include the study of software development communities and processes, with a focus on quantitative analysis. I'm one of the founders of Bitergia, the software development analytics company. I like coding, taking photos, and drinking coffee.

NIKOLAY HARUTYUNYAN (PhD 2019)

PhD Student at Friedrich-Alexander University Erlangen-Nürnberg

Nikolay Harutyunyan is a researcher at the Professorship for Open Source Software at Friedrich-Alexander University Erlangen-Nürnberg. Nikolay's research focuses on open source governance and supply chain management. Before joining the research group of the Professorship for Open Source Software, he studied Economics, Management, and Information Systems. You can reach him at nikolay.harutyunyan@fau.de.

http://osr.cs.fau.de/people/members/harutyunyan

PATRICIA ILIN

Master Student at Gothenburg University

Patricia is a MSc student in the Digital Leadership program of Gothenburg University. She has a keen interest in emerging technologies, startups and novel ways of funding niche products. When she is not busy with her studies she volunteers in Food2Change to fight food waste from grocery stores as well as is the chairwoman of DataTjej, an organization to attract more women into IT.

https://www.linkedin.com/in/ilinpatricia

STAVROS KOLONIARIS

Master Student at Harokopio University of Athens

Holding a degree in "Computer Science" from Hellenic Open University and a MSc in "Advanced Information Systems in Business" from Harokopio University.Employed for over 10 years in the computer industry, mostly as IT supporter, and since 2008 in the Municipality of Kallithea, Greece.Main interests include Governmental Digitization and Transformation, Digital Citizenship and Governance of Smart Cities and Regions.

http://www.e-tic.gr

ELIA KOUZARI (PhD 2019)

I work in industry, PhD Student, Computer Lecturer at Dept. of Informatics, Aristotle Univ. of Thessaloniki

I am currently a PhD candidate in Software Engineering at Aristotle University of Thessaloniki focusing on process mining. Since 2011, I have been teaching in the Higher Education sector in Cyprus. I have been working as a Business Analyst at a Statistics and Informatics firm since 2016 applying my gained knowledge in the industry sector. Research interests include: OSS, agile practices and process mining.

https://www.linkedin.com/in/eliakouzari/

APOSTOLOS KRITIKOS 🇬🇷 (PhD 2021) *@akritiko* 🔍JOBS

I work in industry, Researcher, PhD Student at Aristotle University of Thessaloniki

I am a researcher and software engineer from Greece. I enjoy working with open technologies. I do research on the fields of Open Source Software Engineering and Software Resilience with the Informatics Dept., AUTH. In 2014, I co-founded Social Mind, a 360 degrees digital marketing agency, with the aim of designing affordable, high-quality software and digital marketing solutions for the Web.

http://softwarereseilience.com

PAULO MEIRELLES 🇧🇷 (PhD 2013) *@paulormm*

Professor, Postdoc at Federal University of São Paulo

Paulo Meirelles is a Professor at the Federal University of São Paulo (UNIFESP) and researcher at the Free/Libre/Open Source Software Competence Center (CCSL) at the Institute of Mathematics and Statistics of the University of São Paulo (IME-USP), in Brazil. His research interests include Free Software development, Agile Software Development, and Source code metrics. Contact him at paulo.meirelles@unifesp.br.

http://softwarelivre.org/paulormm

NIKOLAOS PAPASPYROU 🇬🇷 (PhD 1998) *@nickie_42*

Associate Professor at National Technical University of Athens

Associate professor at the School of Electrical and Computer Engineering of the National Technical University of Athens and a member of the Software Engineering Laboratory. I am interested in the theory and implementation of programming languages: semantics, type systems, compilers, static analysis, formal verification.

https://www.softlab.ntua.gr/~nickie/

DIMITRIOS PLATIS 🇬🇷 *@PlatisSolutions* 🔴NOW HIRING

I work in industry at Aptiv PLC

Dimitrios is a software engineer at Aptiv in Gothenburg, Sweden. During the day he is working on bringing Android to the automotive industry. In the evenings, he develops open source software and hardware projects that he likes to blog about. He is enthused about robotics, IoT, autonomous driving and DIY gadgets.

https://platis.solutions/

ATHOS COIMBRA RIBEIRO 🇧🇷

Master Student at Institute of Mathematics and Statistics - University of São Paulo

FLOSS enthusiast, software Engineer, and Graduate Student in the Institute of Mathematics and Statistics at University of São Paulo, persuing a master degree under the advisory of Fabio Kon.

http://www.ime.usp.br/~athoscr

DIRK RIEHLE 🇩🇪 🔴NOW HIRING

Professor at FAU

Professorship of Open Source Software at Friedrich-Alexander University Erlangen-Nürnberg in Germany

GREGORIO ROBLES 🇪🇸 (PhD 2006) *@gregoriorobles*

Associate Professor at Universidad Rey Juan Carlos

I am Associate Professor at the Universidad Rey Juan Carlos, a public university in Madrid. I mainly do research in following two fields: Free/Open Source Software, esp. by Mining Software Repositories, and Computational Thinking. I co-founded Bitergia, a software analytics company. I am getting old – I remember to have taken part in the first OSS back then in 2005 in Genoa!

http://gsyc.urjc.es/~grex

IOANNIS ROUTIS 🇬🇷 (PhD 2019) 🔴JOBS

PhD Student at Harokopio University

https://www.linkedin.com/in/ioannis-routis-a58312a5/

CHRISTOS SARDIANOS 🇬🇷 @ChSardianos 🏷️

PhD Student at HAROKOPIO UNIVERSITY OF ATHENS

I am a PhD Student at the Department of Informatics & Telematics at Harokopio University of Athens. My research area is "Knowledge Mining from Large Scale Social Network Data", under the supervision of Assistant Prof. Iraklis Varlamis. and my main topics of interest are Data Mining, Recommender Systems, Social Network Analysis & Mining, Big Graph Analysis.
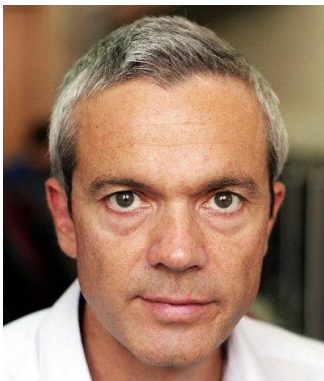

http://dit.hua.gr/~sardianos/

IOANNIS STAMELOS 🇬🇷

Professor at Aristotle University of Thessaloniki

-

https://www.csd.auth.gr/el/staff/faculty?view=user&ro=1&id=14

DIOMIDIS SPINELLIS 🇬🇷 (PhD 1993) @CoolSWEng 🏷️

Professor at Athens University of Economics and Business

Diomidis Spinellis is a Professor and Head in the Department of Management Science and Technology at AUEB. He's the author of two award-winning books, Code Reading and Code Quality, as well as more than 300 papers. His most recent book is Effective Debugging. He's a senior member of the ACM and the IEEE. From January 2015 he is serving as the Editor-in-Chief for IEEE Software.

https://www.dmst.aueb.gr/dds/

GUILHERME HORTA TRAVASSOS 🇧🇷 (PhD 1994)

Professor at COPPE/UFRJ

Professor of Software Engineering and a CNPq Researcher in Brazil. Holds a D.Sc. in Systems Engineering and Computer Science from COPPE/UFRJ, with a postdoc in Experimental Software Engineering at UMCP/USA. Leads the Experimental Software Engineering Group at COPPE/UFRJ. ISERN, SBC, and ACM member. Associate editor of Information and Software Technology, and editorial board member of IJSEKE, JSERD, and e-Informatica.

http://www.cos.ufrj.br/~ght

IRAKLIS VARLAMIS 🇬🇷 🔴 NOW HIRING

Assistant Professor at Harokopio University of Athens
I am an Assistant Professor at the Department of Informatics and Telematics of Harokopio University of Athens. My research interests vary from data-mining and the use of semantics in web mining to social network analytics and knowledge extraction from social media and the news. I have published several articles in international journals and conferences on the above topics.

https://www.dit.hua.gr/~varlamis/

TONY WASSERMAN 🇺🇸 *@twasserman*

Professor at Carnegie Mellon University - Silicon Valley
Tony Wasserman works on evaluation, adoption, and use of FOSS by organizations (osspal.org).He was CEO of Interactive Development Environments (IDE), developer of Software through Pictures, one of the first 100 dot-coms, then VP at Bluestone Software. Before that, he was a Professor at UC San Francisco, where his User Software Engineering project built tools for rapid interactive systems design.

JOSEPH WILLIAMS 🇬🇧 (PhD 2019)

University Instructor at Canterbury Christ Church University
-
